## World Vineyard SOUTH AFRICAN CHENIN BLANC

**Style:** Chenin Blanc is a late ripening grape, which brings intense flavor development. Unusual for a grape that hangs so long, it retains crisp acidity, underpinning bright flavours of green apple, tropical fruit and melons, with a distinctly floral nose and a juicy, quenching finish.

**Sweetness Code:** 0 (dry)

**Oak:** None

**Body:** Medium

## World Vineyard ITALIAN BAROLO

**Style:** Nebbiolo grapes take their name from fog (nebbia). Notoriously demanding to grow, they require sheltered south-facing sites with well-drained chalky soil, but yield grapes with high tannins, good extract and very importantly for this long-lived style, bracing acidity for structure and ageability.

Medium in body with a luminous dark cherry colour Winexpert World Vineyard Barolo has rich, spicy fruit and delivers the true character of the grape and land. Typical flavors are cherries, violets, black licorice, truffles and it finishes with rich, chewy, deep and long-lasting flavor. Burly, assertive 'chewy' wine, it is not for the faint of heart, but for those seeking intensity and complexity, there is nothing else like Barolo.

**Sweetness Code:** 0 (dry)

**Oak:** Medium

**Body:** Medium
