

Vintner's Best® Wine Bases are crafted from real juice and natural ingredients, specifically designed for commercial wineries. They produce high-quality wine with a 10% ABV and offer exceptional ease and convenience for consistency batch after batch. No need for pH or acid adjustments—just dilute, add yeast, and stir!

Exclusively Distributed By:

Benefits

- 6-8 weeks to finished product
- Shelf stable for up to two years
- No refrigeration necessary
- Scalable to any batch size
- Pre-blended - no straining out fruit pieces
- More inclusive - add only yeast and water
- Great for making blends or blending with other wines
- All wine bases are TTB approved with FIDS available
